October 5th, 2016

The Council of Presidents met with Dr. Krasnow and he provided the council with updates on psychiatric care and the student insurance RFP Process

The Council of Presidents was reminded to start the Student Regent selection process

The Council of Presidents had the opportunity to discuss items with Dr. Rund. Here is what was discussed:

- The Campus Master Plan/Student Involvement in the Campus Master Plan
- Capital Development projects listed in the ABOR Board Book.
- An update on university wide priorities
- Attendance at athletic games
