Tips for a Successful Orientation Day

Directions and Parking: Allow yourself plenty of time to travel to your orientation destination. Print parking and directions information for your program location: [Downtown Phoenix campus](#), [Polytechnic campus](#), [Tempe campus](#) or [West campus](#).

What to Wear: Wear comfortable shoes and clothes. You may want to bring a light sweater for some of the chilly, climate-controlled rooms used during orientation.

What to Bring: ID. You are required to show identification at check-in (U.S. driver's license, state-issued ID card, U.S. military ID card, U.S. passport or passport card).

Academic records and documents. Bring copies of your test scores, high school and/or previous college transcripts. These will be needed at your academic advising session.
