BRIDGING SUCCESS

At Arizona State University, we pride ourselves on providing opportunities and support that allow every student the chance to create a Sun Devil experience that will prepare them for success during their college years and throughout their lives.

We ensure that our students achieve in and out of the classroom. **From providing opportunities to discovering their career interests to learning the keys to leading a healthy lifestyle for a lifetime,** we encourage students to engage and connect personally with the university and their peers, explore their interests and enjoy Sun Devil life!

Mission: As the Associated Students of Arizona State University we are committed to ensuring an **equitable experience for all, improving the daily lives of students and upholding the values and charter of ASU**. Student leaders advance the mission of ASASU through the following goals:

Civic and community engagement

Cultivate an all-inclusive environment in which students showcase civic and community responsibility on the university, local, state and federal levels.

Collaboration and communication at ASU

Foster strong and frequent channels of communication and collaboration among ASASU, student organizations, colleges, campuses and university administration.

Spirit, pride, tradition and overall affinity

Engage students in lasting institutional spirit, pride and tradition that enhances the overall student experience and promotes the ASU brand.

Diversity and inclusion

Facilitate and encourage the student voice from various groups and identities at ASU via inclusive initiatives and services.

Health, wellness and safety

Target multiple facets of health, wellness and safety in order to improve the holistic student experience.
