NURSING AND HEALTH INNOVATION BUILDINGS 1 AND 2

From a program that graduated only six people in 1960, the College of Nursing & Health Innovation has grown to include more than 8,000 graduates. The college has evolved from a small baccalaureate program to the largest supplier of nurses in Arizona with Bachelor of Science and advanced practice nurses and is the only university offering an on-campus Doctor of Philosophy in Nursing & Healthcare Innovation (PhD) degree. In addition, the college is offering a Master of Healthcare Innovation degree, the first of its kind in the nation. The ASU Health Center is located in Suite 155 on the first floor of the College of Nursing & Healthcare Innovation building. Students, faculty and staff from any ASU campus and the general public are able to access quality, affordable healthcare while studying or working in the Downtown Phoenix area.
