

# What to Expect on Orientation Day

## Step One: Register for Orientation

By now you should have paid your [ASU Enrollment Deposit](#), and reserved your spot at [New Student Orientation](#).

## Step Two: Prepare for Orientation

On orientation day, you will meet with an academic advisor and register for classes. Before you arrive for your program, be sure you [complete the necessary steps](#).

## Step Three: Attend Orientation Day

**Your Sun Devil experience begins here.** New Student Orientation offers the tools and information you need to kick-start your college career. Come prepared and ready to meet with your academic advisor, register for classes, learn about university resources and student clubs, meet classmates and much more.

**Orientation Day Check-in.** Review your orientation confirmation email for specific times and locations. Check-in will vary depending on your program and campus. Orientation is a one-day program that begins before 8 a.m. and lasts until 3 or 4 p.m.

- Sun Devil Trivia
- Smart Money, Smart Devils
- Family Resource Panel
- Sun Devil Proud

[West Campus Overnight Orientation](#) Students attending Arizona State University at the West campus, get an inside look at what it means to be a Sun Devil at an overnight orientation.

## Tips for a Successful Orientation Day

**Directions and Parking:** Allow yourself plenty of time to travel to your orientation destination. Print parking and directions information for your program location: [Downtown Phoenix campus](#), [Polytechnic campus](#), [Tempe campus](#) or [West campus](#).

**What to Wear:** Wear comfortable shoes and clothes. You may want to bring a light sweater for some of the chilly, climate-controlled rooms used during orientation.

**What to Bring: ID.** You are required to show identification at check-in (U.S. driver's license, state-issued ID card, U.S. military ID card, U.S. passport or passport card).

**Academic records and documents.** Bring copies of your test scores, high school and/or previous college transcripts. These will be needed at your academic advising session.

**Share Your Excitement:** Tell us about your day using #ASUOrientation.
