

What to Expect on Orientation Day

Step One: Register for Orientation

By now you should have paid your [ASU Enrollment Deposit](#), and reserved your spot at [New Student Orientation](#).

Step Two: Prepare for Orientation

On orientation day, you will meet with an academic advisor and register for classes. Before you arrive for your program, be sure you [complete the necessary steps](#).

Step Three: Attend Orientation Day

Your Sun Devil experience begins here. New Student Orientation offers the tools and information you need to kick-start your college career. Come prepared and ready to meet with your academic advisor, register for classes, learn about university resources and student clubs, meet classmates and much more.

Orientation Day Check-in. Review your orientation confirmation email for specific times and locations. Check-in will vary depending on your program and campus. Orientation is a one-day program that begins before 8 a.m. and lasts until 3 or 4 p.m.

Sample Student Agenda

Morning

Morning

- University Welcome
- College Welcome
- Your Student's Transition to ASU

Lunch

Afternoon

- Sun Devil Life
- Family Resource Panel
- Residential College Community Tour

ASU Resource Expo and Residential College Community Tours provided.

Tips for a Successful Orientation Day

Directions and Parking: Allow yourself plenty of time to travel to your orientation destination. Print parking and directions information for your program location: [Downtown Phoenix campus](#), [Polytechnic campus](#), [Tempe campus](#) or [West campus](#).

What to Wear: Wear comfortable shoes and clothes. You may want to bring a light sweater for some of the chilly, climate-controlled rooms used during orientation.

What to Bring: ID. You are required to show identification at check-in (U.S. driver's license, state-issued ID card, U.S. military ID card, U.S. passport or passport card).

Academic records and documents. Bring copies of your test scores, high school and/or previous college transcripts. These will be needed at your academic advising session.

Bring your laptop with you. You will need this to register for classes and your advisor will help you bookmark useful pages.

Share Your Excitement: Tell us about your day using #ASUOrientation.
