College Welcome  
Your Student's Transition to ASU

#### Lunch

#### Afternoon

Live Like a Sun Devil  
Sun Devil Trivia  
Smart Money, Smart Devils  
Family Resource Panel  
Sun Devil Proud

## Tips for a Successful Overnight Orientation

**Directions and Parking:** Allow yourself plenty of time to travel to your orientation destination. Print parking and directions information for your program location: [West campus](#).

**What to Wear:** Wear comfortable shoes and clothes. You may want to bring a light sweater for some of the chilly, climate-controlled rooms used during orientation.

**What to Bring: ID.** You are required to show identification at check-in (U.S. driver's license, state-issued ID card, U.S. military ID card, U.S. passport or passport card).

**Academic records and documents.** Bring copies of your test scores, high school and/or previous college transcripts. These will be needed at your academic advising session.

**Packing List:** Pillow, Sleeping Bag OR XL twin bedding, toiletries, change of clothes, pajamas, swimsuit and towel.

**Share Your Excitement:** Tell us about your day using #ASUOrientation.
