Enroll in a service learning class at ASU

Take an elective course about community development and poverty related challenges

Pursue leadership opportunities with student clubs or organizations

Join AmeriCorps members on a service project in your community on MLK Day of Service or 9/11 Day of Remembrance and Service.

Create an account on the AmeriCorps portal at my.americorps.gov.

Browse current AmeriCorps openings on my.americorps.gov. To find opportunities in Arizona with the Alliance VISTA Program, search for Alliance VISTA.

Create an AmeriCorps application in the portal. Once your application is complete you can submit your application directly to a project listing.

We encourage you make an appointment with Alliance staff to learn tips on how to best prepare your application and how to prepare for the interview process.

Attend an interviewing workshop or webinar with Career Services. Call Career Services or log on to the ASU events calendar for more details.
