Students, Alumni, and Sun Devil Network volunteers participating in the Sun Devil Network understand and agree to comply with the following statements:

All parties are held to the ASU Affirmative Action Statement while engaging in Sun Devil Network activities:
ASU affirms and actively promotes the right of all individuals to equal opportunity in education and employment at this institution without regard to race, color, sex, national origin, age, religion, marital status, disability, veteran status, sexual orientation, gender identity, gender expression or any other extraneous consideration not directly and substantively related to effective performance.

All parties are held to the ASU Sexual Harassment Policy while engaging in Sun Devil Network activities:
Arizona State University is committed to providing an environment free of all forms of prohibited discrimination. Sexual harassment is a form of gender discrimination. ASU does not tolerate gender discrimination in any form. That includes sexual harassment, sexual assault, intimate partner/relationship violence, gender-based stalking and bullying, and other forms of harassment.

Volunteers specify their desired involvement and availability as a resource to students through their profile, and can modify their status and choices at any time. Students are expected to respect the volunteer’s preferences and only request support in ways that align with the volunteer’s profile preferences.

Participation in the Sun Devil Network is voluntary, without compensation or reimbursement of any kind, and for educational and/or recruiting purposes only. Self-promotion, product-promotion, or service-promotion is highly discouraged and participation does not indicate an endorsement by ASU of an individual’s professional business or activities.

In-person meetings should take place in public locations.
Examples of appropriate meeting places:
- ASU campus, ASU event, volunteer’s workplace, restaurant, or coffee shop.
Examples of inappropriate locations:
- personal residence

All parties are acting on their own behalf and should maintain respectful and professional interactions at all times. ASU facilitates the initial contact between students, alumni, and volunteers, but does not monitor the relationships between them nor take responsibility for the opinions or actions taken by individuals involved.

If a student, alumni, or volunteer feels that someone from another party has violated the above terms and conditions, please contact your ASU representative immediately to express your concerns.
The concern will be addressed and could result in loss of access to the Sun Devil Network Database, or disciplinary action by the ASU.
